Move Show and Tell to after Program for February; Talking to Spring Creek Church about Scout Troop set up and take down; Paula Horner Hccarts included us in her article in Boerne Star; we are on the Visit Boerne website; Sew It Fabulous will promote workshops by having the supply list available and 15% discount. Talked with Michael Glick about insurance. Can get one policy that can cover liability and will get a quote. Paula Horner; funding request submitted to the hccarts board (working on their budget). Finishing Coordinator: Carol thinks Carolyn Swisher will handle that.

Sleep in Heavenly Peace: working with this organization would become a full time job. HCFS may be able to provide names and needs where the group can build the bed and then HCFS can provide the rest.

Boerne Community Center Quilt: Carol L will clean it. Find a place to hang it for Boerne's 150<sup>th</sup> birthday. Possible that we can have the library gallery for July
