Mondo Bag Workshop

May 9

Patrick Heath Public Library
Upstairs Conference Room
11:00 AM – 4:00 PM

A little about Lorey Wing - The year Lorey was born, her mother purchased a Singer Featherweight on which she sewed clothes for herself and Lorey: everything from mother-daughter outfits to prom dresses. Although Lorey didn't inherit her mother's garment-making skills - zippers terrified her and her junior high home economics "skirt" was a mess - as a young married woman, she became adept at making curtains, decorative pillows, bed skirts, and duvet covers. Life was good in the home decorating arena.

But Lorey really wanted to make a quilt, and she was envious of her friends who were making beautiful quilts. She sewed her first quilt, a baby quilt, in 2017. A kind and generous longarm quilter in Spring, TX made it look beautiful. Since then, Lorey has made more than 20 quilts including a vintage linens quilt, 5 T-shirt quilts, a Quilt of Valor and more just plain fun quilts than she can count. She got hooked on the Mondo Bag because it is easy to put together and looks fabulous! She's excited to share what she has learned about making Mondo bags with Cibolo Creek Quilters Guild members and looks forward to the workshop on May 9th.

MONDO BAG

A great bag for taking quilts to the guild for show and tell!

In this class, you will learn how to machine piece a Mondo or Midi bag. The Quiltsmart Mondo Bag or The Quiltsmart Midi Bag pattern by Mattie Rhoades is required for this workshop.

- Uptown Blanco Textile Studio – sells both the Mondo and Midi patterns
- Sew Special – sells both the Mondo and Midi patterns
- Sew It Fabulous – sells the Midi pattern

Mondo Bag - Bag bottom is about 10" square with 15" tall sides and features an interior pocket.

Midi Bag - Bag bottom is about 8" square x 12" tall sides.

Use 100% cotton quilt fabrics for best results.

Mondo Bag Yardage Required:

Body

- 192 Outer 2.5" Squares & 2 - 2 1/2 x 26" strips for the outer handle fabric OR
- 20 - 2 1/2" Strips at least 40" WOF – in a variety of fabrics or a jelly roll. This yardage includes the outer handle fabric.

Lining: 1.25 yards of fabric for bag lining **and** 2 - 2 1/2 x 26" strips for the lining handle fabric.

Fusible Fleece or Soft & Stable: 1.25 yards of Fusible Fleece. If you would like for your bag to have more structure, you may use Soft & Stable.

Midi Bag Yardage Required:

Body

- 108 – 2 1/2" squares and 2 – 2" x 23" outer fabric handles OR
- 8-10 – 2 1/2" x WOF strips or a jelly roll and 2 – 2":x 23" outer fabric handles
(5 fat quarters will make 1 bag, lining and handles included)

Lining: 3/4 yard of fabric for bag lining and 2 – 2":x 23" lining fabric handles

Fusible Fleece or Soft & Stable: 3/4 yard of Fusible Fleece

Supplies Required:

- Sewing machine
- 1/4-inch presser foot
- Sewing machine thread. You may want to use a contrasting bobbin for top stitching.
- Sewing machine needles (just in case)
- Rotary cutter and cutting mat
- Either a 12" or 24" ruler
- Pins or Wonder Clips
- Seam ripper and scissors

Helpful Tools

- Applique pressing sheet or parchment paper
- Fasturn #6 (for handles).

MONDO BAG **Make Ahead of Class at Home**

(Please make sure you're prepared prior to class unless you plan on finishing at home)

1. Pre - cut 192 - 2 1/2" squares if making a Mondo bag.
2. Pre – cut 108 2 1/2" squares if making a Midi bag

A 12" rotating cutting mat is helpful if using charm squares.

Suggestions for color success.

Cut 1 – 5" charm into 4 - 2 1/2" squares and begin making 4 separate stacks. Cut the charms 1 at a time so that you can retain the color flow of the charm pack when making the separate stacks. You will use one stack for each grided panel. This will help the 4 outer panels of the bag color flow.

Make your Handles

- From your lining fabric cut 2 – 2 1/2" x 26" strips for the Mondo bag or 2 – 2" x 23" handles for the Midi bag.
- From your fusible fleece cut 2 – 2 1/2" x 26" strips for the Mondo bag or 2 – 2" x 23" handles for the Midi bag.
- From your coordinating outer fabric cut 2 – 2 1/2" x 26" strips for the Mondo bag or 2 – 2" x 23" handles for the Midi bag.

Fuse the fleece strips to the **WRONG** side of the 2 lining handle strips. Place the right side of one fleece/lining strip together with the right side of the coordinating outer fabric strip. Stitch the long edges using a 1/4" seam allowance. Repeat for the second handle. If you have a Fasturn, or another way to turn the handles right sides out, proceed. (If you do not, bring your stitched handles to class to turn them right side out there.) Press the handles. Top stitch the edges. Here's where you might want to use a contrasting thread in your bobbin for the lining.

Cut your lining

If you are making a Mondo bag:

- Cut 3 lining panels 8 1/2" x 24 1/2"
- Cut a fourth lining panel 8 1/2" by WOF. This will be your pocket panel.
- Cut 3 fusible fleece panels 8 1/2" x 24 1/2" and fuse to the **WRONG** side of the lining
- Cut a fourth fusible fleece panel 8 1/2" x 24 1/2" for the pocket panel. **DO NOT FUSE YET.**

If you are making a Midi bag:

- Cut 4 lining panels 6 1/2" x 18 1/2"
- Cut 4 fusible fleece panels 6 1/2" x 18 1/2" and fuse to the **WRONG** side of the lining.
