

**Cibolo Creek Quilt Guild Meeting Minutes**  
**September 11, 2025**  
**PHPL Community Room 7:00 - 8:30 pm**

The meeting was called to order by Jennifer H at 7 pm.

**Program:**

- Andrea introduced Donna Phelps as guest speaker. Lisa A had met Donna previously at Sew Special and then Andrea had attended her program on Orphan Quilts at the Wimberly Quilt Guild.
- Donna lives in Driftwood. She showed several products that the Wimberly Quilt Guild is selling at their Quilter's Corner on Nov. 15 and invited us to attend.
- Donna began with a display of "parts". People bring lots of orphans to her: part of Halloween tree skirt; half of vest, cheater sheet, corn meal bag, tea towels, panel, embroidery test runs, aprons.
- Think of anything that is fabric. It doesn't have to be pretty; think if it can be quilted; embroidery can be raw edged. Look on clearance tables, internet esp. for tea towels and cheater cloths. Avoid heavy canvas. Use fabric from alcohol bags.
- Two resources are: Austin Creative Reuse and Artale Curiosities in Seguin.
- She did her first orphan quilt in 1999. No rules, no worries. For many years, she tried to measure things to be divisible by 2 and fill in blank spots.
- In 2021, she went to building her quilt in sections and fill in spots with strips, patchwork triangles, flying geese. Each section has a star of the show and a supporting cast around it. Each section is roughly 18 x 22. Likes to use a lot of black/white, scrappy bindings. Ugly blocks get split and color added to them. Put a door, window & triangle to make house on any block.
- Debuted class workshop in 2024 in Wimberly. Ended up making a group quilt entitled "Look What I Found at the Orphanage". Took 1st place in Plano and 2nd place in New Braunfels.
- Start collecting now for our workshop two months away. Put out word to family & friends and they will give you stuff.

### **Business Meeting:**

August Meeting Minutes were approved with a motion from Tammy S and a second by Caron.

### **President Update:**

- Jennifer announced that Carol S is running for President, Lorey W is running for VP sales and Ann Hu is running for treasurer.

We need candidates for Secretary & Newsletter.

- Nominations for the Shirley Smith Silver Thimble Award should be received by October 9. Write-ups on the nominees will be done prior to voting in November. Previous winners present were recognized.
